Section 129675, Health and Safety Code, authorizes ...

Article 2. Definitions

pg. 116

Unless otherwise stated, the words and phrases defined in this article shall have the meaning stated herein throughout Chapter 7, Part 1, Title 24

7-111. Definitions.

“Health Facilities” as used in this part and all applicable parts of the California Building Standards Code means any health facility licensed pursuant to Section 1250 of the Health and Safety Code.

(a) Hospital building includes: ...

6. Any building that has been used as a community care facility ...

A. The building complied with ...

B. The Director of Health Services, upon application, determines that in order to continue to properly serve the facility's existing client population, re-licensure as an intermediate care facility/developmentally disabled will be required.

pg. 117

9.

A. Any building that meets the definition ...

B. In the case of reconstruction, alteration, or addition to, the facilities identified in this paragraph, and paragraph (8) or any other building subject to licensure as a general acute care hospital, acute psychiatric hospital, correctional treatment center, or nursing facility, as defined in subdivisions (a), (b), (j) and (k) of Section 1250, operated or to be operated by the Department of Corrections, the Department of the Youth Authority, or by a law enforcement agency of city, a county, or city and county, only the reconstruction, alteration, or addition, itself, and not the building as a whole, nor any other aspect thereof, shall be required to comply with this chapter or the regulations adopted pursuant thereto.
